OUR SERVICES

FLEET OPERATIONS

We undertake operations of city and corporate buses. We have experience of operating over 100+ fleets daily.

FLEET MAINTAINANCE

We know art of maintenance with higher expertise and capabilities for buses to ensure minimum down time and highest performance

“

**WE ENSURE, SAFETY IS NOT
COMPROMISED EVEN BY
ACCIDENT.**

”

WHY CHOOSE US?

HIGHER PERFORMANCE

With the trained workforce and superior maintenance capabilities, we are able to achieve 99% on-road performance.

ON TIME OPERATIONS

We respect the time and makes sure each trip is on time. Our management and planning helped us to achieve 99% on-time performance.

TRAINED WORKFORCE

Driver's induction training is conducted by recognized trainers of the industry. With this training, we encourage drivers to change how they assess risks, with the aim of reducing the number of incidents on roads. Every driver is then assessed by an experienced supervisor for his fitness and readiness to drive.

YOUNG & HIGHLY QUALIFIED MANAGEMENT

We are a team of young and passionate professionals who aspire to make difference to the industry!

“

**WE UNDERSTAND HOW
PLEASANT AND SAFE JOURNEY
MATTERS TO YOUR FAMILY!**

”

SAFETY

We highly believe in "safety First" for our drivers and passengers. Continuous inspections and daily audits from different safety angles are regular to ensure safety from different angles. Also, our buses are equipped with Speed governors, Automatic Door Closer System, Hammer, Fire extinguisher, CCTV(Need Based) etc. to ensure highest standard of security for our passengers.

TECHNOLOGY DRIVEN OPERATIONS

We live with technology. Our buses are equipped with GPS Systems, LED(PIS) Display and Automatic Announcement System which ensure our efficient and smooth operations.
